

EXEC READY
RETREAT
2024

VILLA RIAD, BYRON BAY
FRIDAY 19 - MONDAY 22 JULY 2024

7 Spaces only. 2 remaining.

Time to take stock.

Where better to recalibrate?

Take back control of your year end with a much needed... pause... before 2024 slips away and a new year begins.

Together we can carve out space for reflection, connection and asking the right questions that will free you up to lead sustainably, be executive-ready and deliberate in your focus for the remainder of 2024. Strike the balance of calm and cadence needed for high performance and leading work of significance.

This is your chance to take a breath, reflect, recharge and... dare we say... relax and put yourself first.
